Composer, Dr. Larry Nickel, sadly died from viral encephalitis in 1989. After what some would consider a miraculous recovery, Larry has been more committed to writing and arranging music which proclaims the grace of God.

"A near death experience can give focus to one's life. This profound contemporary hymn by Gett and Powell really registers with my faith and deserves a heart-felt presentation." L. G. visit [larrynickel.com](http://larrynickel.com) or write [larrynickel@mac.com](mailto:larrynickel@mac.com)
